

Pure Skate

FROM THE MAKERS OF POLOPLAZ

FORMULATED WITH PURE GRIP

350 RINK FINISH

- Smooth, Easy Application
- VOC Compliant
- Overnight Dry Times

Take the worry out of your rink maintenance with the Pure Skate line of Rink Finishes, which are specially designed for all types of roller skating and multi-purpose wood floors. Since regular refinishing of roller rink floors is an important part of providing a safe surface for skaters, the Pure Skate product line is designed for easy preparation and application and offers a convenient line of VOC compliant formulas.

Pure Skate 350 Rink Finish is a VOC compliant premium polyurethane featuring Pure Grip for that extra traction skaters require. Pure Skate offers a smooth, easy application and is a low viscosity product that dries hard overnight and cures quickly for maximum protection.
