PROFESSIONAL PROTECTION FOR HARDWOOD FLOORS™

FAST BREAK PAINT

Fast Break oil-based paint is designed specifically for gym floors, and it has excellent topcoat adhesion. This is not pre-packaged wall paint. We manufacture our own paints so you get that trusted PoloPlaz quality and performance every time.

- High urethane content to dry like a finish – no costly delays!
- High pigment concentration for exceptional hide
- Excellent hardness and low viscosity for even application
- Allows for “breaking” at the cracks to reduce chipping and peeling
- Custom color matching and on-time delivery

WATERBASE PAINT

PoloPlaz Waterbase Paint is designed for professional use on hardwood sports floors. Pair it with PoloPlaz NSB, Express, Polo1K or FastTrak and you have a complete VOC compliant waterborne system. Choose PoloPlaz and get the fastest shipping in the industry – we’ll even ship directly to the job site!

- Premium, commercial-grade waterborne paint
- Low odor
- Dries quickly
- VOC compliant
- Custom color matching and on-time delivery
