Poloplaz World Class Finish is formulated to protect all types of hardwood sports floors including gym, aerobic, dance, and stage floors. Today's gyms and multi-use sports floors pose a new challenge to the finish: It must protect the floor from run-and-gun basketball, street shoes, aerobic dancing, perspiration, folding chairs, and every spill from water to alcoholic beverages.

Poloplaz World Class Finish meets these challenges by providing deep-penetrating oil preservatives along with a high quality protective wear coating.

World Class Finish is MFMA approved and highly recommended for use on any multi-purpose sports floor.
