

# Pure Skate

FROM THE MAKERS OF POLOPLAZ

FORMULATED WITH PURE GRIP

## 450 RINK FINISH

- Smooth, Easy Application
- Low Ambering For Bright Finish
- Exceeds MFMA Standards

**Take the worry out of your rink maintenance with the Pure Skate line of Rink Finishes, which are specially designed for all types of roller skating and multi-purpose wood floors. Since regular refinishing of roller rink floors is an important part of providing a safe surface for skaters, the Pure Skate product line is designed for easy preparation and application and offers a convenient line of VOC compliant formulas.**

Pure Skate 450 Rink Finish is a premium high-solids oil modified polyurethane featuring Pure Grip for that extra traction skaters require. It has a very low viscosity, resulting in a smooth flow. Pure Skate is MFMA approved and highly recommended for use on any wood rink surface.
